Product Description

EGO POWER+ Portable Area Light Bare Tool - LT1000

Introducing the EGO POWER+ Portable Area Light, the world's most powerful area light in handheld cordless outdoor power. Illuminate any environment with 5 different brightness settings adjustable from 600-10,000 lumens. The POWER+ Portable Area light can be used as an ambient mood light, effective task light, and so much more. Activate boost mode for best in the class 10,000 lumens to illuminate large areas. With its compact design and integrated handle, easily store this light or take it on the go! Ideal for indoor and outdoor conditions with diffused panels for a softer light and weather resistant construction. This light is equipped with rafter hooks for hanging overhead and a tripod mount to cast light over an entire room. Get up to 35 hours of run time (on low with the recommended 5.0Ah ARC Lithium™ battery, available separately). Premium features like a USB A-Port come standard to make the experience unlike any other, allowing you to power or charge essential devices. Compatible with all EGO POWER+ ARC Lithium™ batteries (available separately) to deliver Power Beyond Belief™.

****Battery not included****
