Product Description

Cub Cadet 3X® 30" MAX™ IntelliPOWER® EFI Snow Blower

Dominate winter with this 3X 30 in. MAX 420cc Gas Three-Stage Snow Blower with IntelliPOWER® and EFI Engine technology. The Electronic Fuel Injection (EFI) system is designed to adapt to environmental conditions and adjust the fuel flow for reliable starting while IntelliPOWER® technology is designed to deliver consistent power in heavy, deep, and wet snow conditions. Large 23 in. intake height and 14 in. augers and impeller are built to remove up to 18 in. of snow† and the three stage design helps breaks down and quickly clear heavy, wet snow.

Features

- 30 in. clearing width and 23 in. intake height powers through 18 to 23 in. of snow†
 - 420cc Cub Cadet IntelliPOWER®™ engine features an Electronic Fuel Injection (EFI) system designed to adapt to environmental conditions and adjust the fuel flow for reliable starting.
 - IntelliPOWER® technology offers up to 16% more available power, resulting in less bogging down when clearing heavy, wet and deep snow*
 - Three stage design with durable, center-mounted steel accelerator spins 10 times faster than the augers to break down and quickly clear heavy, wet snow
 - Engineered with a heavy-duty cast aluminum auger gearbox, heavy-duty steel auger housing, and steel chute for durability.
-
