Product Description

Cub Cadet 2X® 24" Snow Blower

Tackle your extreme with the 2X 24 in. 208cc Gas Two-Stage Snow Blower engineered to take on up to 12 in. of snow†. Push button electric start is designed for reliable starting without the need to pull start. Clear snow at your pace with six forward and two reverse speeds. Two-stage technology uses 12 in. steel augers to break up snow and a 12 in. high-speed steel impeller to pull the snow up from the augers and propel it out of the chute for fast clearing.

Features

- 24 in. clearing width and 21 in. intake height is designed to throw snow up to 40 ft. away while clearing up to 12 in. of snow†
 - 208cc 4-cycle OHV Cub Cadet engine delivers the power to help clear snow on driveways up to 12 parking spaces in size
 - Self propelled. Clear at your pace with 6 forward and 2 reverse speeds
 - Center-mounted crank chute control provides quick 200° rotation with an easy 2.5 turns of the crank
-
