Product Description

Cub Cadet 2X® 28" IntelliPOWER® Snow Blower

Tackle winter weather with this 2X 28 in. 272cc Gas Two-Stage Snow Blower with IntelliPOWER® Engine engineered to take on up to 12 in. of snow†. IntelliPOWER® technology is designed to deliver consistent power in heavy, deep, and wet snow conditions. Heated hand grips help provide warmth and dual LED headlights aid visibility in low-light conditions. Includes trigger-controlled power steering with a self-propelled drive engineered for control, maneuverability, and single-hand operation.

Features

- 28 in. clearing width and 21 in. intake height is designed to throw snow up to 40 ft. away while clearing up to 12 in. of snow†
 - 272cc 4-cycle OHV Cub Cadet IntelliPOWER® engine delivers the power to help clear snow on driveways up to 12 parking spaces in size
 - IntelliPOWER® technology is engineered to deliver consistent power in heavy, deep, and wet snow conditions by automatically optimizing engine output to help provide smooth and consistent performance in challenging conditions.
 - Heated grips help provide warmth and comfort.
 - Trigger-controlled power steering and self-propelled drive for control, maneuverability, and single-hand operation.
-
