Product Description

Cub Cadet 2X® 26" IntelliPOWER® Snow Blower

Tackle winter weather with this 2X 26 in. 243cc Gas Two-Stage Snow Blower with IntelliPOWER® Engine engineered to take on up to 12 in. of snow†. IntelliPOWER® technology is designed to deliver consistent power in heavy, deep, and wet snow conditions. Push button electric start is designed for reliable starting without the need to pull start. Includes trigger-controlled power steering with a self-propelled drive engineered for control, maneuverability, and single-hand operation.

Features

- 26 in. clearing width and 21 in. intake height is designed to throw snow up to 40 ft. away while clearing up to 12 in. of snow†
 - 243cc 4-cycle OHV Cub Cadet IntelliPOWER® engine delivers the power to help clear snow on driveways up to 12 parking spaces in size
 - IntelliPOWER® technology is engineered to deliver consistent power in heavy, deep, and wet snow conditions by automatically optimizing engine output to help provide smooth and consistent performance in challenging conditions.
 - Engineered for durability thanks to a heavy-duty cast aluminum auger gearbox, heavy-duty steel auger housing, and steel chute.
-
