Product Description

SnowEx Regular-Duty Straight Blade Truck Snow Plow

Keep hustling with the SnowEx® Regular Duty straight blade plow. Engineered for half-ton pickups, allowing you to take on personal jobs as well as light-duty commercial plowing without stressing your vehicle setup. Built with lighter, high-strength steel, these plows are a no-nonsense solution for tough conditions as your operation expands. Maximize your payload and dominate the competition with a plow that's lean, yet durable.

- Blade Width: 7' 6" & 8'
