Product Description

SnowEx Renegade Spreader - 89520

You need ice control equipment that makes those late nights and early mornings productive and safe. Our all-new Renegade stainless steel hopper spreaders are ready to deliver results ... even in the most challenging winter conditions.

Spread your way by choosing the best material delivery system for your operation ... either the HELIXX™ shaftless auger for precise rock salt application or a new pintle chain conveyor that's perfect for dense, heavy de-icing materials.

- Capacity: 1.5 - 5.0 cu yd
 - Materials: Salt, Sand & Liquid Brine*
 - Delivery System: Chain or Auger
