Product Description

SnowEx V-Pro 32600 Poly Spreader - 32600

The V-Pro™ 32300 and 32600 sand and salt spreaders provide a compact spreader solution, reducing the amount of weight being added to your pickup truck. However, these units still pack a punch—delivering many unique features, while helping to reduce maintenance costs and avoid material waste.

- Capacity: 1.0 cu yd
 - Materials: Salt, Fine Materials* & Liquid Brine*
 - Delivery System: Auger
-
