Product Description

SnowEx Drop Pro 250 & 600 Drop Spreader - 87635

Place salt exactly where it's needed with the new line of stainless steel drop spreaders from SnowEx®. The Drop Pro 250 and Drop Pro 600 provide up to 36" of spread width in a drop pattern to keep the salt exactly where your vehicle drives. With three mounting systems, these units can fit on most UTVs, compact tractors, or wheel loaders to make quick work of sidewalks, walking paths, and other hard surfaces where truck equipment can't easily gain access.

- Capacity: 2.5 & 6.0 cu ft
 - Materials: Salt & Fine Materials
 - Standard Mounts: 2" Receiver, 3-Point & In-Bed
